

## foundU Rate Rise Assistance Sessions

foundU's legendary Rate Rise Tool is your key to a smooth transition during periodic pay increases mandated by Fair Work during the EOFY season.

Learning from previous rates rises, EOFY and your feedback, we've launched a new approach tailored to the varying needs and levels of experience of our customers.

You now have the option of purchasing a one-off rate rise assistance session at \$350, where you'll be guided through the process.

You can also [enquire about our Performance plan](#) for enterprise customers, where you'll receive assistance with your rate rise every year as a complimentary part of your package.

If you are unsure about the first two options but

feel like you need some extra support, please reach out to your Customer Success Manager so we can have a more in-depth chat about how we can help.

### Session Overview

- Drive the Rate Rise Tool to learn the process, with a CS Coach who will guide you through and offer tips and suggestions as you progress.
- The session will be recorded and sent to you. Future rate rises will be easier with your new custom resource to watch next year!
- Cost: \$350 per session (regardless of duration).
- Just sign up through [the form here!](#)
