Fast, turn-key enablement

It's easy to activate employee offers and perks from 500+ of Australia's most-loved brands, at 9,000 locations nationwide.

Novated, uncomplicated

Help employees save thousands every year on one of their biggest expenses with our digital novated leasing solution, Flare Cars.

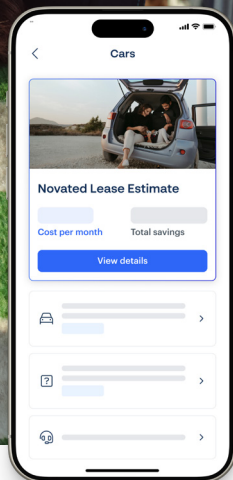

Highly-configurable platform

Add custom offers and perks with the Perks Manager, and bring your unique company culture to life with minimal effort required.

Offset rising costs with real savings

Employees save thousands every year with Flare Benefits. Attract, retain and reward yours with our turn-key solution.

Benefits for real life

Help employees save an average of \$12,000 every year, in the household categories that matter most.

Benefits anywhere, anytime

Available via mobile app and web, employees can build their own tailored plan for instant access at the checkout and on the go.

Everyday savings and premium perks

From groceries to gifts, gym memberships and holidays, now you can support employees in and outside of work, at no cost to you.

Benefits for every life stage

Help employees save on bigger expenses like healthcare, energy and transport, with free comparison tools and personalised support.

Employee engagement on autopilot

Benefits include financial education content like our hosted webinar series, plus limited-time promotions and giveaways.
